# PRICE COMPUTING SCALES

PRODUCT NUMBER 9311, 9316

## Features

The price computing all-purpose scale for points of sale is approved and ready for use as a trading scale. Particularly interesting is the mobile use of the scale, which is possible through an integrated accumulator. The price computing scales have a robust and applicable quality and a simple and easy operation, which is ideal for markets, farm shops, fruit and veg shops, bakeries as well as pastry shops.
