

COMPACT SCALE

PRODUCT NUMBER 7745

Trade, commerce and industry

- › Fast, compact, portable
- › Sturdy industry quality
- › Weighing ranges: 6 to 40kg
- › EU Class III

COMPACT SCALE

PRODUCT NUMBER 7745

Features

Meets special precision and reliability requirements in tough everyday use. The versatile checking scale for approved weighing operations in industry and trade.

Technical data

- › Mains power supply: 220-235V, 50/60Hz
- › Rechargeable battery or cell power supply: 8 baby cells are required or equivalent NiCd batteries, service time with rechargeable batteries approx. 8 hrs
- › The indicator backlighting feature switches off automatically.
- › RS 232 data interface (V24)
- › Tare: full capacity by subtraction (100%)
- › Housing: easy to clean plastic housing, platform made of chrome nickel steel, food grade
- › Dimensions: dxwxh 345 x 330 x 110mm
- › Weight: 6.9kg

Design

- › Easy to operate: one-key operation for on/off, tare, clear tare, data transfer to printer
- › Rapid weight display: 20mm easy to read LCD
- › Reliable construction: sturdy industry quality for all applications in dry conditions
- › Portable: power supply is either from the mains or by rechargeable battery.

Scope of delivery

- › Power adapter with 2m power cord

Official approval

- › Type tested within Europe for approved weighing operations (Approval Class III)
